

Rule No. 3

SERVICE AGREEMENTS

- 3-1 Application for Service - The Utility may require a Customer or prospective Customer to sign one of the Utility's standard application or service agreement forms. The application or agreement shall be binding only after acceptance of service by a duly authorized representative of the Utility. In case of acceptance of service by a Customer prior to the signing of such agreement, Customer shall pay for the service so furnished in accordance with the applicable rate schedule or schedules in force and shall abide by these rules. A Customer requiring the construction of a line extension, as described in Rule No. 6, may be required to sign a service agreement whereby service is contracted for a period of not less than two years.
