

## **Data Collection Schedule**

The data, including Public Policy Requirements and Public Policy Requirements Projects, for WAPA-UGPR and the regional models are collected during the first quarter of WAPA-UGPR eight quarter planning cycle. The eight quarter planning cycle starts January 2014.

NorthWestern will notify by email its stakeholders of the WAPA-UGPR and regional schedules and will set its data submission schedule to precede the needs of these schedules by one month or more by posting its data collection schedule in its basic criteria methodology and timeline document on its website at URL
