

Contemporaneous Disclosure

Requirement: 18 C.F.R. § 358.7(a)

Date Posted: November 30, 2015

On November 19, 2015, a NorthWestern Energy employee disclosed customer-specific load data to a marketing-function employee in preparation for a working session related to Montana Public Service Commission Docket No. 2014.7.58. The data included estimated load, scheduled load, imbalance, and estimated charge at average imbalance price for 20 retail and four wholesale choice customers for the month of March 2015. The marketing-function employee to whom the information was disclosed did not, and has been instructed not to, disclose the information to any other marketing-function employee.
