

**NorthWestern Energy
E+ Premium Efficiency Motor Rebate Program
Program Guidelines, Application Instructions and Incentive Amounts**

Qualifications

- NorthWestern Energy commercial and industrial electric supply and small choice customers are eligible for the program.
- NorthWestern Energy large USB Choice customers are not eligible for the program.
- The program is limited to NEMA Premium™ efficiency design “A” and “B” electric motors only.
- **NorthWestern Energy representatives may verify completed installations prior to rebate payment.**
- Motors purchased prior to January 1, 2009 will not be accepted under the program.
- This program is for motor retrofits or new construction only. Motor purchases placed in stock are not eligible for rebate.
- Eligibility for motors not listed in the attached rebate table must be handled on a site-specific basis. Call (800) 823-5995.
- Details of the program, including incentives, are subject to change without prior notice. Incentive amounts are valid through May 30, 2010.
- Motor Dealers are eligible for a \$1.00 per horsepower incentive.

Steps to Participate

1. Refer to the attached charts for eligible motors and rebate amounts.
2. Complete and sign the NorthWestern Energy E+ Premium Efficiency Motor Rebate Program application.
3. Attach original or legible copies of the following:
 - Invoice including purchase date, motor manufacturer name, model number, NEMA nominal full load efficiency, motor type (ODP or TEFC) and horsepower/rpm.
 - Current NorthWestern Energy electric bill for the facility where installation was completed.
4. Submit completed application along with all documentation and current NorthWestern Energy bill.
Mail to: NorthWestern Energy E+ Premium Efficiency Motor Rebate Program
P.O. Box 1167

Terms and Conditions

APPLICATION: This application must be filled out completely, truthfully and accurately. Participants are advised to retain a copy of this application and any accompanying documentation submitted to NorthWestern Energy under this program. NorthWestern Energy will not be responsible for lost documentation pertaining to this application request. Funds for incentives are limited and available on a first-come, first-served basis. Details of this program, including incentives, are subject to change without prior notice.

ELIGIBILITY: Incentives are available to approved applicants who are NorthWestern Energy commercial and industrial electric customers. NorthWestern Energy large USB Choice customers are not eligible for the program. Final determination of eligibility shall rest solely with NorthWestern Energy.

VERIFICATION: Participant may be selected for post-installation verification prior to incentive payment. No warranty is implied by this verification. NorthWestern Energy's inspection of installed energy saving measures is for the sole purpose of assuming that it has been installed and program criteria have been satisfied, and it is not for the purpose of inspecting materials or quality of work. NorthWestern Energy makes no representations of warranties concerning adequacy of materials or quality of the work by virtue of its inspection.

PAYMENT: The incentives will be paid within 4-6 weeks upon: (i) completion of the premium efficiency motor installation, (ii) verification of the installation, and (iii) submission of this completed application with all required information attached.

PROOF OF PURCHASE: The invoices accompanying this application must itemize the products purchased and/or work performed. This proof of purchase must show: (1) the date of purchase and itemized price paid, (2) the size, type, make, model or part number for the products, NEMA nominal full load efficiency, motor type (ODP or TEFC) and horsepower/rpm.

INCENTIVE AMOUNT: Incentives for the premium efficiency motors purchased as set forth in this application are limited to the amounts set forth in this application and may not exceed the purchase price.

TAX LIABILITY: NorthWestern Energy is not responsible for any tax liability imposed on Participant as a result of payment of these incentives.

SAFETY & BUILDING CODES: Participant represents that: (i) all products installed and work performed complies with all federal, state and local safety, building and environmental codes, and (ii) products are UL listed, if applicable, and installed per manufacturer's instructions.

NO ENDORSEMENT: NorthWestern Energy does not endorse any particular manufacturer, contractor or product in promoting the E+ Premium Efficiency Motor Rebate Program. The fact that names of particular manufacturers, contractors, products or systems may appear on this application does not constitute an endorsement. Manufacturers, contractors, products or systems not mentioned are not implied to be unsuitable or defective in any way. NorthWestern Energy or its agents do not sell energy conservation products directly to customers.

PROPERTY RIGHTS: Participant represents that Participant has the right to install the equipment on the property on which the equipment is operated and that any necessary owner's consent has been obtained.

ACCESS & EVALUATION: Northwestern Energy and/or its representatives may request access to the property and may review and evaluate the project during and after completion for up to 2 years. Participant agrees to provide reasonable access to the property for the purposes described herein.

ENERGY INFORMATION RELEASE: Participant authorizes NorthWestern Energy to access energy usage data for the project's specified electric account at the physical address of the project. Participant agrees to provide other reasonable assistance to obtain such information.

INFORMATION RELEASE: Participant agrees that NorthWestern Energy may include services and resulting energy savings in reports or other documentation submitted to the Montana Public Service Commission. NorthWestern Energy will treat all other information gathered in evaluations as confidential and report it only in the aggregate.

ELIGIBLE PRODUCTS: Products must meet energy efficiency specifications of NorthWestern Energy. These specifications may be found on the Web at www.northwesternenergy.com. If you, or your contractor, are not sure of the specifications, please call (800) 823-5995 before proceeding.

DISCLAIMER / NO LIABILITY: Participant understands that, while NorthWestern Energy is providing Participant with the incentives payment, NorthWestern Energy is not supervising work performed for Participant nor is NorthWestern Energy responsible in any way for proper completion of that work or proper performance of any products purchased. NorthWestern Energy is simply providing funding to assist Participant in implementing electric saving measures. Participant assumes the risk of any loss or damage(s) that Participant may suffer in connection with installation of the measures. NorthWestern Energy does not guarantee any particular energy saving results by its approval of the application or by any other of its actions.

DISPOSAL OF EXISTING EQUIPMENT: All equipment and materials removed and/or replaced hereunder shall, at Participant's expense, be permanently disabled, sold as scrap, and/or removed from the Facility and destroyed. Participant assumes all responsibility to dispose of all equipment and material removed hereunder in accordance with applicable law.
