Terms and Conditions

APPLICATION: This application must be filled out completely, truthfully and accurately. Participants are advised to retain a copy of this application and any accompanying documentation submitted to NorthWestern Energy under this program. NorthWestern Energy will not be responsible for lost documentation pertaining to this application request. Funds for incentives are limited and available on a first-come, first-served basis. Details of this program, including incentives, are subject to change without prior notice.

ELIGIBILITY: Incentives are available to approved applicants who are NorthWestern Energy residential customers. Final determination of eligibility shall rest solely with NorthWestern Energy.

VERIFICATION: Participant's contractor will verify that the installed saving measures meet program standards and State of Montana codes. Participant's facility may also be selected for post-installation verification prior to incentive payment. No warranty is implied by this verification. NorthWestern Energy's inspection of installed equipment or energy saving measures is for the sole purpose of assuring that it has been installed and program criteria have been satisfied, and it is not for the purpose of inspecting materials or quality of work. NorthWestern Energy makes no representations of warranties concerning adequacy of materials or quality of the work by virtue of its inspection.

PAYMENT: The incentives will be paid within 4-6 weeks upon: (i) completion of the energy efficiency program saving measures, (ii) verification of the measures, and (iii) submission of this completed application with all required information attached.

PROOF OF PURCHASE: The invoices accompanying this application must itemize the products purchased and/or work performed. This proof of purchase must show: (1) the date of purchase and itemized price paid, (2) the size, type, make, model or part number for the products, and (3) a description of any installation or other labor charges.

INCENTIVE AMOUNT: Incentives for the energy efficiency program savings measures completed as set forth in this application are limited to the amounts set forth in this application and may not exceed the purchase price.

TAX LIABILITY: NorthWestern Energy is not responsible for any tax liability imposed on Participant as a result of payment of these incentives.

SAFETY & BUILDING CODES: Participant represents that: (i) all products installed and work performed complies with all federal, state and local safety, building and environmental codes, and (ii) products are UL listed, if applicable, and installed per manufacturer's instructions. NorthWestern Energy is not responsible for wiring, piping, appliances, chimneys, flues or venting, and/or equipment on Participant's premises beyond the appropriate service meter or other points of connection with NorthWestern Energy's service connection at which point the responsibility of NorthWestern Energy shall cease.

NO ENDORSEMENT: NorthWestern Energy does not endorse any particular manufacturer, contractor or product in promoting the energy efficiency programs. The fact that names of particular manufacturers, contractors, products or systems may appear on this application does not constitute an endorsement. Manufacturers, contractors, products or systems not mentioned are not implied to be unsuitable or defective in any way. NorthWestern Energy or its agents do not sell energy conservation products directly to customers.

PROPERTY RIGHTS: Participant represents that Participant has the right to perform the rebated saving measures on the property on which those measures are performed and that any necessary landlord's consent has been obtained.

ACCESS & EVALUATION: NorthWestern Energy and/or its representatives may request access to the property and may review and evaluate the project during and after completion for up to 2 years. Participant agrees to provide reasonable access to the property for the purposes described herein.

ENERGY INFORMATION RELEASE: Participant authorizes NorthWestern Energy to access energy usage data for the project's specified account at the physical address of the project. Participant agrees to provide other reasonable assistance to obtain such information.

INFORMATION RELEASE: Participant agrees that NorthWestern Energy may include services and resulting energy savings in reports or other documentation submitted to the Montana Public Service Commission. NorthWestern Energy will treat all other information gathered in evaluations as confidential and report it only in the aggregate.

ELIGIBLE PRODUCTS: Products must meet energy efficiency specifications of NorthWestern Energy. These specifications may be found on the Web at NorthWesternEnergy.com/Eplus. If you, or your contractor, are not sure of the specifications, please call (800) 823-5995 before proceeding.

DISCLAIMER / NO LIABILITY: Participant understands that, while NorthWestern Energy is providing Participant with the incentives payment, NorthWestern Energy is not supervising work performed for Participant nor is NorthWestern Energy responsible in any way for proper completion of that work or proper performance of any products purchased. NorthWestern Energy is simply providing funding to assist Participant in implementing rebated saving measures. Participant assumes the risk of any loss or damage(s) that Participant may suffer in connection with installation of the measures. NorthWestern Energy does not guarantee any particular saving results by its approval of the application or by any other of its actions.
