Schedule No. D-RGCA-1

DISTRIBUTION BUSINESS UNIT  
RESIDENTIAL GAS CORE AGGREGATION SERVICE

**PAYMENT:** Billed amounts shall be considered past due if not paid by the due date shown on the bill. Past due bills are subject to a late payment charge in accordance with the provisions of Rate Schedule No. SGS-1.

**CHANGE IN SERVICE:** Customer may opt to return to core sales service or change Suppliers, in accordance with Section 18.7 of Rate Schedule AGTC-1.

SPECIAL TERMS AND CONDITIONS:

1. **Definitions:** The definitions of the principal terms used in this Rate Schedule are contained in Rule No. 1 and Rate Schedule AGTC-1.
2. **Amortizations:** For the initial term of any Agreement under this Rate Schedule, Customer's core rates shall include rate components that reflect the most recent balances associated with the Deferred Gas Cost Account Mechanism and the Gas Transportation Adjustment Clause Mechanism. These rate components shall include any net balances being amortized from the preceding 12-month activities and the net balances accruing in accordance with the current year's activities.
3. **Multiple Residential Dwelling Units:** Where the same building complex contains multiple residential dwelling units, each building shall be separately metered unless the building owner requests individual meters for each residential dwelling unit within the building(s). The term "building complex" is defined as a structure under one roof, or two or more connected structures under separate roofs throughout which there is general access by means of doors, elevators, stairways, enclosed passageways or continuous corridors; but sidewalks, driveways, breezeways, heating and utility tunnels, pipes or conduits are not considered enclosed passageways.
4. **Nonresidential Uses:** Where a portion of a residential dwelling unit is used for nonresidential purposes, such service shall be separately metered and billed as a general service customer. If installation of a separate meter is impractical, the predominate usage of the premise shall determine whether Customer is billed as a residential or general service customer.
5. **Release of Customer Information:** Utility shall provide Aggregator with twelve months of customer gas consumption, following the receipt of a customer-signed Authorization Form that properly identifies Customer's account(s).
6. **Aggregation of Loads:** Aggregation of loads served under this Rate Schedule with other loads shall not change the otherwise applicable rates for service under this Rate Schedule.

**SERVICE AND RATES SUBJECT TO COMMISSION JURISDICTION:** All rates and service conditions under this Rate Schedule are governed by the rules and regulations of the Public Service Commission of Montana and are subject to revision as the Commission may duly authorize in the exercise of its jurisdiction.
