SPECIAL TERMS AND CONDITIONS:

Term and Condition No. 1

Definitions

- 1-1 Agreement – The term “Agreement” means a previously executed agreement or application for direct rural natural gas domestic farmstead service which service was supplied and taken at a specific location in which Customer was entitled to place a farm tap on HPC's pipeline or gas gathering line in exchange for Customer granting a pipeline easement across his/her/its property.
- 1-2 Capacity Shortage – A condition when, in HPC's judgment, there exists a restriction or limitation on HPC transmission or gathering pipelines necessary for the acceptance, transportation, or subsequent redelivery of gas resulting in HPC being unable to meet its operational, contractual, or Customers' requirements.
- 1-3 Commission – The word “Commission” as used herein shall mean the Montana Public Service Commission.
- 1-4 Customer – The word “Customer” as used herein shall mean any individual, partnership, association, firm, or corporation receiving farm tap service under an Agreement made and entered into prior to January 1, 2017.
- 1-5 Functional Abandonment – The term “functional abandonment” shall mean when the supply of natural gas becomes reasonably inadequate to reliably serve a customer's residential needs in that
