

## NorthWestern Energy - South Dakota REQUEST FOR TELEMETERING SERVICE

In order to provide gas transportation service under the terms of the Gas Transportation Tariff a customer must have telemetry equipment installed. According to the terms of the tariff, the customer will be billed for all costs relating to the installation of the required telemetry equipment. This charge will be considered a non-refundable contribution in aid of construction. NorthWestern Energy (NWE) will retain ownership of the equipment and be responsible for maintenance. The charges include an income tax gross-up of the contribution amount.

The standard labor and equipment charged to the customer include the following:

1. Cost of the telemetering hardware
2. Hardware necessary to retrofit existing meter (electrocorrector installation)
3. Labor required to modify meter
4. Labor required to install telemetering equipment

The telemetering installation costs will be billed as an additional item on the monthly transportation billing. If you would like NWE to bill your gas supplier for these charges, please enter the supplier's information below. You, as the customer of NWE, will have responsibility for these charges should payment not be received by NWE from the supplier designated.
